*** Disclaimer - USI Compatible Student Management Systems Register**

The details reflected in the 'USI Compatible Student Management Systems Register' have been provided by participating Student Management System (SMS) providers. The Commonwealth of Australia has no control over the information contained in the Register. The information is provided to assist education or training providers to find potential SMS providers and does not reflect the views of the Commonwealth of Australia or indicate any preference on behalf of the Commonwealth of Australia. The Commonwealth of Australia makes no representations as to the accuracy or currency, reliability or completeness of the information contained within the Register. It is recommended that education or training providers rely on their own enquiries and independently verify the information contained within the Register. To the extent permitted by law, the Commonwealth of Australia, its officers, employees or agents, accept no liability for loss or damage arising from or connected to any use of or reliance on the information contained within the Register. The Register does not provide an exhaustive list of SMS providers. Education or training providers use and rely on the information contained within the Register at their own risk and should make their own enquiries as to SMS providers.
