

How to activate your USI

If you created your Unique Student Identifier (USI)

Your account is activated.

Login with your USI or the email you used to create your account.

If your USI was created on your behalf

If your USI was created on your behalf, a link would have been sent to your mobile or email address from noreply@usi.gov.au asking you to activate your USI account.

- 1) Check your email or SMS for your USI and activation details.
- 2) Select the link, accept the terms and conditions and select **'Next'**.
- 3) Set up your password and security/check questions.
- 4) Enter your date of birth to confirm your identity then select **'Save'**.

Why activate your USI account?

- Access your [transcript](#) which lists all the Vocational Education and Training (VET) training you have completed since 2015. Download and share with potential employers to prove your skills.
- Access and update your personal details including changing your password.
